

The passionate support of Sharks members and fans always made PointsBet Stadium an intimidating place for visiting teams to play.

I was on the receiving end on many occasions as a player and more recently as a coach I've seen firsthand how the Sharks home crowd can lift their team when times are tough.

Which all makes it very exciting that in 2022 I'll be on your side!!

A loyal membership, one that get vocal and makes plenty of noise on game day, is critical to the success of a team, with the players, coaches and staff, extremely grateful for the unwavering support they provide.

We want to earn that support and as a playing group and staff, we will be doing everything in our power to be a team Sharks members can be proud of. Certainly, the team will want to play a brand of football that will entertain, but our primary goal is to be a competitive force in the 2022 NRL competition.

I watched from afar the performances of the Sharks last season, with your Porter-Gallen Medal winner Will Kennedy, young backs Ronaldo Mulitalo, Connor Tracey, Sione Katoa and Jesse Ramien, as well the likes of forwards Toby Rudolf and Braden Hamlin-Uele, leading the way as the team narrowly missed the NRL Finals.

I know that not just those I've mentioned but all the returning players are very excited to be joined by the experienced Dale Finucane, Cam McInnes and Nicho Hynes, as well as having a fit and firing Wade Graham back on deck, with the leadership they will provide to be invaluable.

We are under no illusion that there is plenty of hard work ahead of us, but we will embrace the challenge and be ready to go come round one next March.

I can't emphasise enough, that our members are important, you can have a significant influence on our success, so I encourage you to join us on what promises to be a thrilling journey.

I can't wait for pre-season to get underway and to start our preparations for the season ahead and I hope to have you on board with us in 2022.

We're back home, back at PointsBet Stadium next year, let's fill the stands and make it that place where other clubs fear to play.
